

Young People

SUMMER HOLIDAYS 2026

A relaxed, creative space to make art and connect

Tuesdays 12:30 - 3:30 pm

Greenhead Park

Community room - Opposite the Tennis Courts

£15
per session

These workshops are designed for young people aged 11+.

Course content is flexible — participants can join in with the planned activities or work on their own creative projects with support and guidance.

Each young person will receive an art pack, kindly donated by Dark Woods Foundation, so they can continue creating at home. All materials for the workshops are provided, though participants are welcome to bring their own specialist equipment if they wish.

We will be based in the
Greenhead Park Community Room,
located in the café building opposite the tennis courts.

Our workshops are designed to be a quiet and calm environment where young people can relax, focus, and enjoy being creative.

Many of the young people who attend benefit from gentler spaces, so we work hard to keep the atmosphere settled and comfortable for everyone. We feel it's important that the space feels safe and enjoyable for everyone who attends.
